The school supports my child's wider personal development.	88	2	1
I would recommend this school to another parent.	91		

Comments	SLT response if appropriate
We are very happy with our child's development. The school offers great support.	
Our child loves coming to school here. As	

<p>a parent, I can see the evidence of a really healthy values culture within the staff team. Thank you so much.</p>	
<p>My child loves attending. Can't praise enough.</p>	
<p>More clubs for the older children would be good. Uniform seems to be more open to parent's discretion as they get older e.g. book bags are less common.</p>	<p>We are currently working on an improved offer of clubs to increase the number and variety on offer. We hope to announce these for the summer term.</p> <p>We monitor standards of uniform constantly and where we feel standards are dropping we will act.</p>
<p>Regarding the Christmas performance: it was a shame that the children had to be collected from school at normal time and brought back 1 hour later for the performance.</p>	<p>Due to the constraints of restricted opening hours of the building, it is necessary to return to school relatively quickly. This enables more parents to attend performances. We appreciate this can be difficult for some families.</p>
<p>Fantastic school. No concerns. Thank you for everything the school does for my children.</p>	
<p>I don't think the children get challenged. If they meet the expectations set by the government, they don't get pushed further.</p>	<p>Ensuring children are challenged in lessons is very important. Teachers work hard to assess progress so that next steps can be planned. Whilst we always work towards achieving national expectations, these are not a ceiling for our pupils. Should parents and carers ever have concerns regarding progress, please speak to the class teacher as soon as possible.</p>
<p>My son loves school and we are thrilled with his progress. My daughter is really enjoying school and seems to be enjoying learning.</p>	
<p>Miss Bailey and the other teachers have been amazing and my child has settled really well. Because of this I am so pleased.</p>	
<p>Fantastic teacher and TA s in pre-school. Really supportive. Can't fault it a bit.</p>	
<p>My son really loves coming to school and there is a great community feel in the school. Impressed with the curriculum and extra-curricular activities.</p>	

Both children have blossomed here. It is an amazing school with the best teachers! Thank you.	
Really happy with the school. Thank you.	
Particularly pleased with the knowledge the teacher has shown of our child, clearly paying attention to the class and the goings on. I would like to see more stretch targets to the kids that need it.	
I would like a bigger range of clubs and activities for the children to do.	We are currently working on an improved offer of clubs to increase the number and variety on offer. We hope to announce these for the summer term.
My child has come on so much this year, developing confidence and a love of learning. No complaints at present.	
We could not ask for more.	
My daughter is always excited to tell me about her day and what she has been learning. Meadows is such a positive learning environment and has had a wonderful impact on our daughter these last few years.	
Great school. All of my three boys have made fantastic improvements. I hope my daughter will get a place at nursery when the time comes.	
I would like to see a wider range of after school activities. Generally super happy with the school and staff.	
Everything is great. Can't fault it.	
More continuation/consistency of teachers would be good.	
There have been a lot of different teachers this year. Ideally, next year, the class will have more stability.	We are aware of the impact on classes when teaching staff are unwell and we always look for ways to ensure as much continuity as possible such situations arise.
My son is doing really well at Meadows and enjoys being there. Lots of different teachers though due to Mrs Thomas being off.	
Amazing school and my child is doing	

really well!	
<p>Overall happy with the school and the opportunities it grants the children. Staff are spoken highly of amongst the children.</p> <p>Negative feedback or concern is communicated well throughout the year. However, positive feedback on the children is generally only communicated at parents evenings and reports.</p>	<p>We absolutely agree that specific positive feedback is important and the children receive this in class daily. On occasion, less positive feedback is passed on when we feel it is appropriate and we possibly need your support as parents and carers. Parents evenings are a key time to pass on information but there are other systems such as awards, postcards and planners to help you monitor progress. Should parents and carers ever wish to know more information, please just ask and teachers will be pleased to update you.</p>
My child enjoys school both socially and academically. She has continued to improve and develop and we are really happy here.	
The team at Meadows are wonderful.	
My child loves school and the team at Meadows are amazing.	
Thank you for all your care and support in the development of our children.	
Our child benefits from a very healthy learning environment and we love meadows.	
The school is a vibrant and fun place for our son.	
Really happy with our daughter's progress and how she is taught.	
We have no complaints about the school. Our son is thriving and happy.	
Very good school. Amazing teachers and happy environment.	
Our child is thriving and happy here.	
Where possible, an online portal to view child's progress and development.	We have an online portal for nursery, but unfortunately this is not possible for the rest of school. See notes above.
Very happy with the support my daughter receives.	

<p>My son really enjoys school thanks to the staff and facilities.</p>	
<p>We have been very impressed with the teachers at meadows. They have all been very supportive and encouraged our son to do his best.</p>	
<p>Mr Tunncliffe has been a great support to my child. He is always supportive.</p>	
<p>I am so happy with how Meadows is shaping my daughter.</p>	
<p>Both my children love Meadows. They are thriving in their learning and development.</p>	
<p>Dinner staff don't always deal with playground arguments or let the teacher know of bad behaviour.</p>	<p>As a school, we know the importance of communication between lunchtime staff and teachers. Staff are reminded regularly. We will continue to monitor this area to ensure issues are passed on in a timely manner.</p>
<p>Meadows is a very friendly, caring school. Our child enjoys going to school and he has a varied learning experience.</p>
