

## Year 1 Social Action Project How can we tackle Poverty?

*"I have the right to a proper house, food and clothing"* 

Article 27

Children met Tom from the local food bank who came into school to talk the children about poverty.

Pupils then wrote letters to all of the children in the school asking them to donate food for the local food bank.

The pupils were amazed about how successful their campaign was when they saw the amount of food that was donated. The food bank charity came back to school to collect the food. We received a wonderful email from Andy who runs the foodbank. The children really did make a difference to their community.

What an extraordinary job your children have done? Amazing collection and so kind of them to bring it to the van (our driver was very pleased!) I hear you took a photo - might we be able to post that on our Facebook page? no problem if you'd rather not, but we'd love to do a post and tag you in if possible.

Thanks so much: your support is hugely appreciated.
