Meadows First School

Equal Opportunities Policy: Pupils

Statement of intent Meadows First School understands that, under the Equality Act 2010, all schools have a duty to:

- Eliminate unlawful discrimination, harassment and victimisation;
- Advance equality between different groups;
- Foster good relations between different groups; and
- Promote mental health and wellbeing.

Our school's overall values are underpinned by our statutory duties under the Equality Act 2010. We are dedicated to ensuring that every pupil receives an education that offers them the best chance at fulfilling their potential, and to promoting mental wellbeing amongst our pupils. We have developed this policy to provide a clear framework for how we will achieve our school's aims.

To achieve our aims, we will adopt the following methods:

- Embedding equality within teaching and resources
- Using key data indicators, such as measures of wellbeing, to understand the needs and characteristics of our school
- Promoting community cohesion and parental engagement
- Investing in regular staff training
- Using key data to monitor the progress of pupils
- Regularly reviewing our equality policy to ensure it reflects current trends and issues

Legal framework

This policy has due regard to statutory legislation, including, but not limited to, the following: Human Rights Act 1998, The Equality Act 2010 and the Data Protection Act 2018

This policy has due regard to statutory guidance, including, but not limited to, the following:

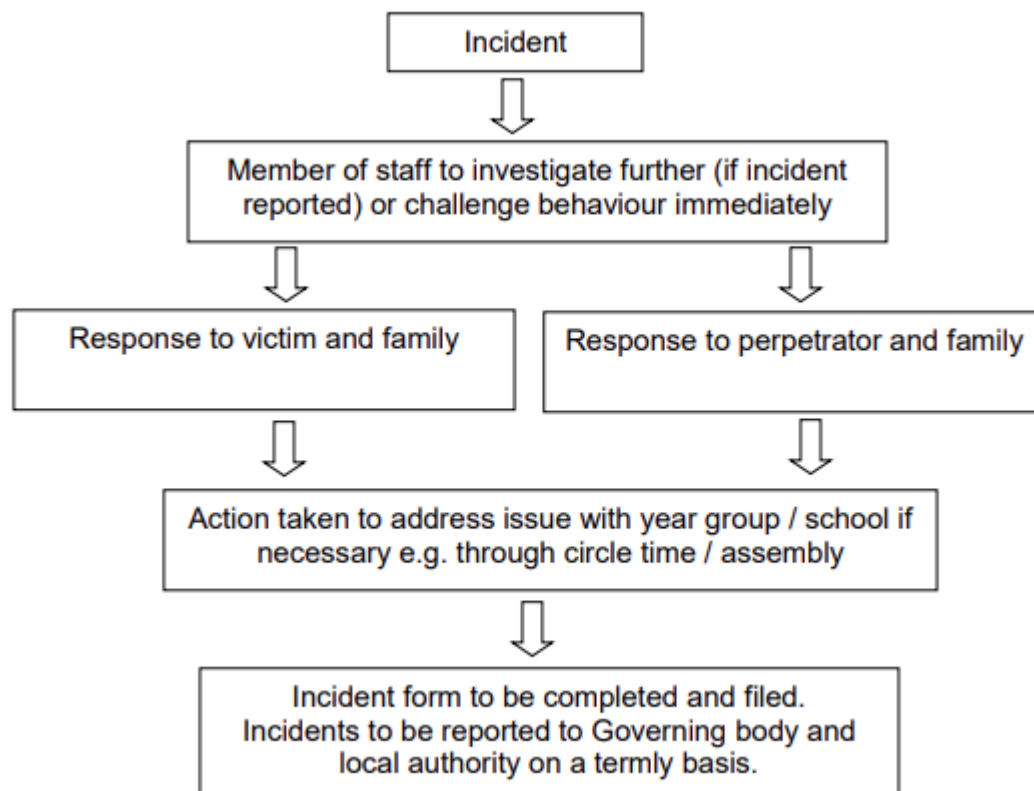

- DfE (2014) 'The Equality Act and schools'
- DfE (2018) 'Promoting the education of LAC and PLAC'
- DfE (2018) 'Gender Separation in mixed schools'
- DfE (2014) 'Equality Act 2010: advice for schools'
- DfE (2018) 'Mental health and wellbeing provision in schools'

The Public Sector Equality Duty

We will meet our duty to publish:

- Annual information to demonstrate how the school is complying with the Public Sector Equality Duty, taking into account the specific circumstances surrounding pupils who have any of the protected characteristics outlined above.
- Equality objectives (at least every four years) outlining how we may further equality in our school.

The General and Public Sector Equality duties

The Equality Act 2010 introduced a single equality duty for all public bodies, including schools. This Duty replaced previous Equality Duties and applies in respect of all Protected Characteristics– age, sex, sexual orientation, gender reassignment, race, disability, pregnancy and maternity, religion or belief.

The Equality Duty has three aims. It states that the school will, in the discharge of its functions, have due regard to the need to:

- Eliminate discrimination, harassment and victimisation and other conduct prohibited by the act;
- Advance equality of opportunity between people who share a protected characteristic and those who do not;
- Foster good relations between people who share a protected characteristic and those who do not.

Meadows First School will tackle discrimination by:

- recording and reporting all racist incidents and prejudice related bullying incidents

Meadows First School is committed to advancing equality of opportunity by:

- removing or minimising disadvantage
- taking steps to meet the needs of pupils, parents / carers and staff
- encouraging participation in any activity in which participation of protected groups is disproportionately low.

Meadows First School & Nursery will foster good relations by:

- tackling prejudice and harassment including bullying, and
- promoting understanding between pupils from different backgrounds.

We will ensure that a clear procedure is in place to enable all pupils and staff to report any incidents which are of concern. All staff will be encouraged to consider dealing with such incidents as a vital aspect of well-being for the whole school.

In addition to the general Equality Duty schools are also subject to the Public Sector Equality Duty (PSED) which was introduced by subsequent Equality Regulations. The PSED sets out requirements for public bodies (including schools) to set and publish equality objectives and publish information which will demonstrate how the school is complying with the aims of the Equality Duty and meeting the objectives it has set. In order to comply with the requirements of the PSED we will:

1. Collect and publish school equality information. Meadows First School & Nursery will undertake routine equality monitoring of our pupils by race, gender, age and disability across a number of areas including admissions, exclusions, progress and attainment. We will also undertake routine equality monitoring of our staff. We will collect the following workforce information; - The number of part-time / full-time staff and analysis of race, gender, disability, and age distribution - Gender pay gap information - Grievances and dismissals

2. Identify and publish school equality and accessibility objectives

Meadows First School & Nursery will develop specific and measurable equality and accessibility objectives based on the evidence gathered and published and the engagement in which we have been involved. Objectives will meet the three aims of the general Equality duty.

The equality and accessibility objectives will be reviewed in March 2022.

Every four years we will draw up an action plan within the framework of the overall school improvement plan and self evaluation process; this will set out the specific equality and accessibility objectives we will pursue.

Disability

We will ensure that pupils with disabilities are not singled out or treated less favourably than other pupils simply because they have a disability, regularly reviewing our school practices to ensure they are fair.

We will ensure that we do not discriminate against pupils with a disability by implementing a rule for all pupils that could have an adverse effect on pupils with disabilities only), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.

We will ensure that we do not discriminate against pupils with disabilities because of something which is a consequence of their disability (for example, by not allowing a pupil on crutches outside at break time because it would take too long for him/her to get in and out), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.

We will make any reasonable adjustments, and provide any auxiliary aids, necessary to ensure the full inclusion of pupils with disabilities, especially where the pupil also has SEND but does not have a SEND statement or EHC plan.

We must also ensure that children have sufficient opportunities to learn and reach a good standard in English language. If a child does not have a strong grasp of English language, teachers must explore the child’s skills in the home language with parents and/or carers, to establish whether there is cause for concern about language delay

We will make reasonable adjustments to accommodate absence requests for treatment and support of trans* pupils by external sources, e.g. charities such as Stonewall. Any such absences will be recorded accurately and sensitively to ensure the privacy of the pupil.

Pupils have the right to dress in accordance with their true gender identity within the constraints of our dress code.

We will ensure that there are suitable toilet facilities for pupils to use.

We will ensure that there is a designated safe space within our school where trans* pupils can discuss issues of gender without fear of discrimination.

Ensuring, as far as possible, that our governing board and staff reflect the full diversity of our local community.

Providing an environment where prejudiced assumptions, attitudes and behaviours are continually challenged.

Instilling in pupils an awareness of prejudice, giving them confidence that it can, and must, be eradicated.

Ensuring equal access to opportunities, such as extra-curricular activities and the curriculum.

Taking care in the use of language and the choice of resources, so that teaching and non-teaching staff avoid reinforcing stereotypical views of society.

Valuing the cultural experiences and contributions of all pupils.

Communicating our policy to parents to gain their understanding, agreement and support for its provisions.

Supporting pupils with medical conditions and SEND

We will ensure that any medical conditions related to a pupil with a protected characteristic is fully supported in line with our Supporting Pupils with Medical Conditions Policy.

We follow the school's policy for administering medicines. For children with complex health needs the Local Authority recommends a Health Care Plan and a Risk Assessment are put in place, in liaison with child's health professionals.

Through high quality first teaching and delivery of the curriculum and by assessing the children regularly, we ensure that each child's next steps are identified and planned for.

Parents will be encouraged to support their children's learning by having daily access to staff (Open Door Policy).

Identifying Children with SEND (refer to SEND Code of Practice)

The Nursery/ Reception classes will use baseline assessments along with language assessments to support identification of children with SEND. Nursery may have access to progress check at Age 2 as part of EYFS framework. Before the children start school there may be meetings with pre school nurseries attended by children. As the children move through the school, teachers will review and assess children's development and needs in addition to the formal checks.

From Nursery onwards, school will follow the GRADUATED APPROACH process, using ASSESS / PLAN / DO / REVIEW cycle (see SEND policy). If a need is identified, parents/ carers will be informed and we will work together to establish the right support to be put in place, including gaining parental consent prior to accessing external support services (EY Inclusion Team, SaLT etc.)

Behaviour Management

See the Behaviour Management Policy. We aim to foster positive role models and teach positive strategies for behaviour as well as recognising that children need to have reinforcement of instant rewards or 'sanctions'. These are all to ensure that the children understand the choices that they make and that they can keep themselves and each other safe. Behaviour management tools are to identify the underlying reasons for the behaviour and to support the child in overcoming them. Parents will be consulted with if an individualised behaviour plan is required for their child and agencies will be contacted/ signposted for further support if needed.

Funding to Support Children with SEND

Identified children with SEND can access funding through the 'ordinarily available' allocation and is dependent on the identified needs of the children, which will first and foremost be met through first-class high-quality teaching. (see SEND Code of Practice).

Bullying and discrimination

Our Anti-bullying Policy will be used in conjunction with this policy in order to prevent, and effectively deal with, any discriminatory incidents.

Any incidents of a child protection or safeguarding nature will be reported, recorded and dealt with in line with the process in our Safeguarding Policy.

It is the responsibility of the DSL to decide whether it is appropriate to notify social services, and/or the police, of any incident.

Concerns with regards to the handling of bullying and discrimination incidents will be dealt with via the procedures outlined in our Complaints Procedures Policy.

Staff training

New staff/ students will receive relevant training on the provisions of this policy during their induction.

Whole-school staff training will be delivered in-house as part of safeguarding training.

Staff will receive the appropriate equalities training that will:

- Focus on staff specialisms in relation to equality, for example, a focus on homophobic bullying to address a planned approach towards inclusion.
