

A Message from Mrs Hewitt

We have had a fabulous week celebrating the King's coronation. Even forest school activities focused on making crowns. We had a mini- picnic on the field on Thursday and we all sang the National Anthem. Today's assembly was a celebration of all the week's activities and we sang modern day coronation songs.

The Big Draw

Thank you to Mrs Dwyer for organising the Big Draw activities on the playground each morning this week, and thank you to the parents and children who joined in. Some beautiful pieces of art were produced.

Reminder that school is closed on Monday as an extra Bank holiday to celebrate the King's coronation. I hope that you all have a wonderful Bank Holiday weekend.

We have been named as a Picture News Advocate School. We decided to work with Picture News as we wanted to develop our children's understanding of the world in which they live. The resources are designed to expose children to current affairs, discover their interests and bring the world closer to their everyday lives.

Picture News is now firmly at the heart of the work we do in our school! Each week, all children have a Picture News assembly - teachers often do follow up work with the children. After the assembly, the picture article is displayed on our 'School World Map' to remind children of the news article and where the news article took place!
