

A Message from Mrs Hewitt

I hope that everyone had a lovely Coronation weekend, despite the mixed weather.

Open classroom evenings have been arranged for Tuesday 13th and Wednesday 14th June at 3.30. These are an opportunity for you to come into your child's classroom to look at the displays and for your child to show you their books. For these evenings, the class will be split in half to avoid overcrowding in the rooms. You should receive the date from your child's teacher.

Fathers' Day: Friends of Meadows have organised a Fathers' Day gift Sale (or a gift for a special person such as Grandad). See below for the slip to complete if your child wishes to purchase a gift in school, or if you do not have a printer, place the money in an envelope with your child's name, their class and the person they wish to purchase the gift for stated on the front.

Walk to School Week:

We are joining in with the National Walk to School Week from 15th-19th May. This is a five-day challenge where we encourage children to walk, scoot or ride to school, rather than coming to school in a car. If children live a long way from the school, we encourage parents to park a distance away from the school so that the children walk part of their journey. Through this challenge, children will be well on their way to reaching their recommended 60 minutes minimum of physical activity per day before even reaching the school gates! Class teachers will be tallying up the methods of transport each day.

Fraud: I have had police guidance about stopping fraud, which is becoming more prevalent due to our ever-increasing online activity. Your digital footprint leaves a trail: *'Every time you use visit a website, send or receive a message or email, buy or book anything online, comment on a post, upload a photo or find directions on your phone, you're adding to your digital footprint. When you stream music, make a video call or use a smart speaker that adds to your digital footprint too.'* They recommend this site to support people to be more fraud-aware <https://www.takefive-stopfraud.org.uk/>
