

## A Message from Mrs Hewitt

The School Council have decided that for Children In need on Friday 17<sup>th</sup> November everyone comes to school in non-uniform. This year's theme is 'Be Spotacular', so children can come to school wearing something spotty for a donation to the charity.

This week has been Arts Week in school and the children have been involved in various arts activities. Jon the Potter has been into school to work with all of the children to create a tree in the foyer; the children have each designed and created a leaf. Thank you to Mrs Dwyer for organising the week for the children to have so much fun.

Thank you for joining us for parents' evenings this week. I hope that everyone has a wonderful half term holiday. We look forward to seeing the children back in school on Monday 6<sup>th</sup> November.
