Summer 1 for Week 1 Beginning: 15.4.24

Containing: Weekly spellings and homework.

Thank you for all your hard work setting up and arranging for your children to complete their science homework during the recent holiday. We were very impressed by all the effort that you put into this. We are sharing your child's experiment with their class. We are delighted by the enthusiasm that your children show when talking about their results and conclusions. It is clear that they really had fun and learnt a lot and we really hope that you did too.
