Mrs Beck
School Secretary

Mrs Slack
Attendance Officer

Email: office@meadows.worcs.sch.uk or phone: 01527 872508

Reception

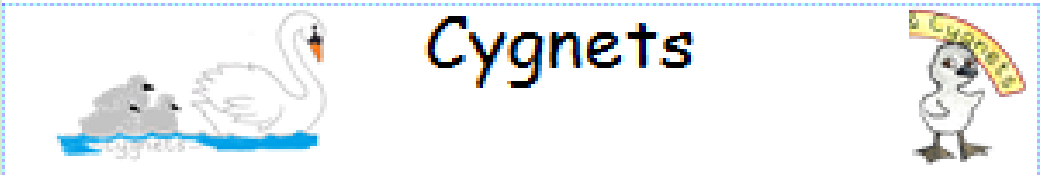

This is the entrance to the Year 1 playground and reception classes. (This playground is where Reception, Year 1 and year 2 are dropped off each day)

This is the Reception outside learning area.

Reception

Photos of class teachers coming soon for 24-25 intake!

The 2 reception classes are Cygnets and Goslings. These are the class teachers and staff to support your children when they start school.

A short tour of the school...

Artsmark
Gold Award
Awarded by Arts
Council England

We are very proud of our school; we are a gold arts mark school!

We have lots of visiting artists that come and work with our children on exciting projects.

Our halls and gym....

We have a gym and a dance hall too!

This is where we eat our lunch!

Our outside spaces....

We are lucky to have so much outside space, which we use to support outside learning.

As well as our 4 playgrounds, we have 3 forest school sites a large playing field an allotment and a pond and a wellbeing garden!

Forest school activities are held weekly for children in both Nursery and Reception. Other classes use these sites as part of their outdoor learning too.

My name is Meadows Mouse. I help you around school too!

We are a Gold Rights Respecting School

Wellbeing of everyone is very important. We designed a wellbeing wheel to help us with this.

We are so excited to have a brand new library!

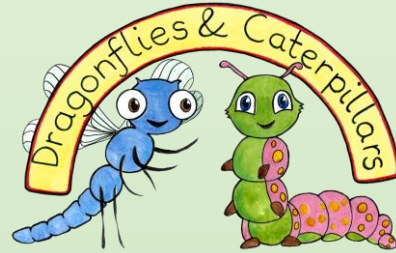

Reading....

Reading is a core priority – our children love to read!

Our classes....

Our school is made up of 11 classes – from Nursery (Ducklings) up to Year 4 (Jaguars and Tigers). Each class has 30 children. The Foundation Stage (Nursery and Reception) along with Key Stage 1 (year 1 and 2) are in classes on the ground floor. Key stage 2 classes (year 3 and year 4) are all upstairs.

We also have a Mainstream Autism Base (the Den) which is County run and is for children with specific ASD needs. We do not allocate places for this unit. These specialist provision places are allocated by County.

<https://www.meadowsfirst.co.uk/our-school/year-by-year>

This is our school motto.
We want children to
have rich opportunities
to help prepare them
for their next step.

Caring, sharing, preparing for life...

We develop a
respect for each
other and the world
around us.

We make learning come to life and be memorable for our children.

We want children to take risks and learn about how to keep themselves safe.

We learn how to
get along and
share.

<https://www.meadowsfirst.co.uk/parents/starting-school-new-admissions>

We are kind to each
and know how to
be a good friend.

Thank you for watching –
we hope to see you
soon!
