Summer 1 for Week 4 Beginning: 13.5.24

Hello Year 1 Containing: Weekly spellings and homework.

We have enjoyed watching our beans grow and keeping a bean diary in Science. Your child has brought their bean plant home and we hope you can continue to grow it at home. It will need repotting and staking to give it support. It can go in the ground/pot outside once it is strong enough. Please feel free to email photographs of your plants progress. Perhaps you can get it to flower and produce beans.
