Summer 2 for Week 3 Beginning: 17.6.24

Hello Year 1

 Containing: Weekly spellings and homework.

We have had a very busy week. The science trip to Smitte Farm was amazing with many activities to deepen understanding of plants. The children have completed their Phonics Assessment and the reading emphasis changes to developing fluency and understanding. So please continue to listen regularly to your children read.

Thank you for attending school to share your children's books. As teachers, we were so proud of how much the children could talk about their work and share their progress.
