Summer 2 for Week 6 Beginning: 8.7.24

Hello Year 1 Containing: Weekly spellings and homework.

This week in Maths we have been learning to tell the time to the hour and the half past. Keep having a go at reading the time with your child to reinforce this tricky concept. In English lessons the children have been writing a story about a child who flies a rocket to the moon. They enjoyed using their imagination and telling their own stories after learning about Neil Armstrong and the first moon landing in history lessons. Well done Year 1, you are getting ready for Year 2!

Homework: Please keep your folders at home. No need to hand them in this week.

English: Please see the Little Wandle focus sheet in your child's homework folder.

Maths: Please practise telling the time at home using o'clock and half past. Think about the activities that may be happening at the time. For example, 7 o'clock could be bedtime. Please use this link to practise telling the time:

Please remember to label your child's caps, cardigans, jumpers and water bottles. When the children play on the field during the summer, they often become mixed with other year group's belongings.

You can visit **Lost Property** through the office to relocate your lost items.

For the week:
