

Friday 12th July

We really have had a very special year with your children. They are a truly fantastic group of individuals and they really have made the year fly by. They have been so lively and entertaining and brought so many smiles to our faces every single day. Everything we have challenged them with they have approached with eagerness and enthusiasm and their learning really has been amazing. They have such natural curiosity and a real love of learning, the questions they ask and the answers they give demonstrate what bright and inquisitive minds they all have.

Thank you so much for all the support that you have given to your children over the past school year and the independence you have fostered in them. They really are ready for the challenges of Year 1.

We hope you have a super summer and create lots of memories together.
